Subject: It was a pleasure meeting you in Las Vegas

Dear Dennis,

It was a pleasure to meet and chat with you in Las Vegas.

I would like to share with you an article I coauthored with a Belgian legal colleague that will be helpful in framing the overall postmodern paradigm shift I mentioned in my comments.

See: http://papers.ssrn.com/sol3/papers.cfm?abstract_id=2376753.

Also, as mentioned, I operate the nonprofit Institute for Trade, Standards and Sustainable Development (ITSSD) the website of which is accessible at: www.itssd.org.

This website provides a great deal of information regarding the multiple dimensions of this paradigm shift and many hyperlinked and pdf documents, including the ITSSD's recent 145-page Information Quality Act-focused FOIA request filed with EPA and related reportage.

Please do not hesitate to contact me should you have any questions or suggestions, and feel free to share this information with members of your network.

Very truly yours,

Lawrence
